In the heart of Barcelona, just steps from Passeig de Gràcia and Plaça Catalunya, Negresco Princess offers the perfect balance between urban energy, comfort, and design. Ideal for business travellers, city explorers, and those seeking a stylish, central stay.

With its minimalist architecture and contemporary interiors, the hotel creates a calm and welcoming atmosphere amidst the city life. The 128 rooms are designed for functionality and rest, offering city views and natural light that enhances the clean, modern aesthetic.

Guests can unwind in the wellness area, with gym and sauna, or head to the rooftop terrace. This signature feature offers an outdoor heated and open all year-round pool with incredible panoramic views.

The elegant La Terrazza Bar serves signature cocktails and sunsets set the tone for unforgettable evenings. The Negresco Restaurant proposes a Mediterranean-inspired menu that fuses tradition and modernity in a relaxed, chic setting.

Whether you're here for business, leisure or a bit of both, Negresco Princess invites you to experience Barcelona with sophistication, convenience, and the authentic spirit of the city.
