## Memories Quest

Escape from the daily routine  
Let your team experience a new adventure

„Memories quest“ is a game to provoke your employees solving different tasks in the resort area by using a non-standard creative approach. The key factors, each team needs to manage to accomplish the tasks are, good communication, team work and spirit and cooperation between the players in the teams. Choosing memories Quest is undoubtedly creating a solid bond between the employees.

We divide the participants into teams of 6 to 12 persons. The assignments are the same for all – each team has to locate certain spots in the hotel and resort, where they have to complete different tasks and document them with photos or videos. Teams earn points for time and creativity. At the end they need to present how they managed to accomplish each task.

**Duration:** between 2 & 3 hours

**Number of participants:** min20 / max 150

**Location:** Suitable for outdoor and indoor

## Fun in the kitchen

A delicious challenge for your team

"Fun in the kitchen" game is suitable for food lovers, who are ready to take out of the box challenges with their friends.

The participants are divided into teams of 5 to 10 persons. Firstly, each team needs to complete several culinary-themed tasks, each task earns points. The more points you earn, the more advantage in choosing products and cooking appliances you have. The points are used for accomplishing the final task – preparing a delicious 3-set menu.

A jury assesses the plates and the dishes of their presentation and taste.

**Duration:** between 2 & 3 hours

**Number of participants:** min 20 / max150
