

GRAND CLASS[®]

EXCLUSIVITY IN MOTION

MAKING EXCLUSIVE MOBILITY SOMETHING PERSONAL.

Grand Class is a leading family-owned chauffeur-driven company specialized in the premium and luxury segments.

We take care of people while they are on the move, facilitating their day-to-day life and enhancing their well-being while we work to transform our mobility into a more sustainable model.

A VERY PERSONAL EXCLUSIVE MOBILITY EXPERIENCE

People's mobility demands evolve along with their world. At Grand Class we recover the quality and essence of the chauffeur profession of a lifetime to understand and solve your new needs as we have always done; with professionalism and excellence.

OUR VISIÓN

WHAT MAKES US DIFFERENT?

A close-up photograph of a hand in a dark suit sleeve reaching for a chrome car door handle. The background is blurred, showing what appears to be a car dealership or service center.

WE ARE PASSIONATE ABOUT OUR BUSINESS

We are a vocational for service company since our creation. We take care of understanding and satisfying the needs of our clients from our daily accompaniment. Our DNA leads us to always go further, and this is reflected in the professional, close and discreet treatment of each driver.

OUR VISIÓN

A photograph of a woman with long dark hair, wearing a white blouse, sitting in the driver's seat of a car. She is looking out the window with a slight smile. The car's interior is visible, including the headrests and seats. The background is blurred, suggesting an outdoor setting.

A COMPANY WITH VALUES

OUR TEAM IS A FAMILY

Our values inspire us and lead the way for us since our creation. Our team is united by its great passion for the job and its dedication to service, that allows us to offer to hotels, companies, agencies and individuals an exclusive, personal and excellent mobility experience.

PEOPLE FIRST

In the Grand Class family, we know that the well-being of our clients is the basis of our value proposal and, furthermore, we are committed to achieve it.

OUR VISIÓN

AN EXCELLENT MOBILITY EXPERIENCE TAILORED TO YOU

A FLEET OF UNIQUE VEHICLES AT YOUR SERVICE

We have a fleet of high-end vehicles that fits perfectly to the needs of each client. Our high availability and wide variety of sedans, minivans, minibuses and buses types allow us to offer a 360 service; with 100% electric options that align with our purpose and meet the demands of our clients.

PART OF OUR FLEET

WE ACCOMPANY YOU WITH THE MOST EXCLUSIVE VEHICLES AVAILABLE IN THE MARKET

To meet the needs of each client and to build the most personal experience possible, we have a large fleet of luxury vehicles that leads the highest quality standards.

Likewise, we are able to find to our clients the vehicle they need or want, even if we do not have it in our fleet, we adapt it to you.

PART OF OUR FLEET

WE OFFER YOU A COMPREHENSIVE SERVICE

We know that a vehicle to go to a meeting is not the same as for a celebration or simply to enjoy the city, just as it is not the same to move in a group or individually, that is why in Grand Class we have luxury sedans and larger vehicles, such as minivans, minibuses, coaches and even vintage cars to adjust to all your needs and thus offer you the possibility of always getting it right, making you feel special.

PART OF OUR FLEET

WE ARE CAPABLE OF TAKING ON GREAT CHALLENGES

For us, the exclusive and personal service is not at odds with a large fleet capable of taking on large services, both in individual transport and in groups.

Because well-being is not only taking care of every detail in each service, but also that our clients feel our commitment when dealing with highly demanding services in volume.

PART OF OUR FLEET

WE ARE MOVING TOWARDS A WORLD WITHOUT EMISSIONS

We know that protecting the planet is caring for people.

We already have 100% electric vehicles, some as exclusive as the Mercedes EQS and the Mercedes EQV 7-seater minivan. We also have hybrid vehicles as special as the Maserati Levante GT or the Porsche Cayenne S-Hybrid, because at Grand Class we have a firm commitment to evolve our entire fleet towards sustainability.
