HOSPITALITY, VISIONARY, CREATIVITY

Sofia Hotels Management is a leading Bulgarian hotel management company offering encapsulating and distinctive experiences. Our hotels have been providing captivating 5-star hospitality services for almost 20 years for Bulgarian and international travelers from all around the globe. At the moment, the group manages two of the leading 5-star hotels in Sofia – **Grand Hotel Millennium Sofia** and **Grand Hotel Sofia**, as well as the newest 5-star **Kings' Valley Medical & Spa Hotel**, located in the heart of Bulgaria, near the town of Kazanlak.

We aspire to be the most upscale hotel brands in Bulgaria and our more than 1000 team members are following the best practices in the industry to achieve sustainable growth. We strive to create extraordinary business and lifestyle experiences for our guests and partners, and our mission is to shape a better image of the hospitality sector in Bulgaria.

NATIVE. MATCHLESS. EVOCATIVE.

Spectrum Restaurant refracts the cuisines of Asia and Latin America through its prism, blending classic elements into a modern atmosphere to create a unique experience. The combination of a contemporary interior, skillfully interwoven art installations, and a beautiful view of night-time Sofia, complemented by the sounds of a guest DJ, transforms an ordinary dinner into an exciting experience.

- Signature menu by Chef Teodor Tankov – the pioneer of Asian cuisine in Bulgaria
- Eclectic cocktails – a “mezcla” of Asian, Native American, and Bulgarian mixology traditions
- Private space for personal events and business meetings
- Spacious cigar area
- Phenomenal views from the 28th floor
