TALENT EMERGE

Renaissance Porto Lapa offers an open invitation to unwind, mingle with local artists or shake things up with cocktail rituals.

The Studio is nestled between the dramatic Hotel entrance and the Cocktail Bar and defies conventions for guests who crave unexpected experiences.

A variety of signature events will be designed to showcase emerging talent in music, the arts, craft cocktails, gastronomy and more through our Evenings at Renaissance Programming.

RESTAURANT & BAR

FLAVORS & FUN

Accessed via the lobby, visitors can linger over heady aperitif at the start of the meal while nibbling on hand-picked bar snacks or head in to our informal but intimist ambience where they can select from an unexpected and impressive selection of local delicacies to delight from.

Surrounded by the greenery of Lapa Park, the time of day determines the mood of the space, either awash with natural daylight, bathed by a spectacular sunset or intimately light at night, creating a comfortable and welcoming atmosphere.

The Cocktail Bar promises to offer an unconventional experience with an energetic tone. Proposing incredible cocktails with creativity, unlikely and unforgettable combinations.

While the interiors are flooded with greenery, behind its Art-Deco bar, for an al fresco experience, facing Lapa Park, there is a terrace with stunning views over the garden. Not an experience to be missed.

ICONIC FLAVORS

Portugal is the starting point for a journey into the flavors of the menu at L'Égoïste Bar & Restaurant.

Developed by the talented chefs Duarte Batista and Ricardo Tiago, the promise is of a cultural experience that respects tradition but innovates in every way.

NATIVE MIXOLOGY EXPERIENCE

Inspired by Portugal's ecosystems, L'Egoïste Bar & Restaurant's Native cocktail menu is a unique experience that celebrates natural biodiversity in every cocktail.

Seven ecosystems are the starting point for a multi-sensory journey.

A modern meeting room with round tables, white tablecloths, and a large window overlooking a green landscape. The room features wood-paneled walls and a ceiling with recessed lighting.
